Re-Sharpener Services

Production Tool & Supply is proud to announce our complete tool resharpening service. Why not have your tools resharpened here in Rockford? We will provide red Akro bins for your dull tools to be stored in. Our salesmen will pick them up on an as needed basis, weekly, bi-weekly, or even monthly. We then will return the resharpened tools to your tool crib at no extra cost. So give your Production Tool salesmen a call today for all your resharpening needs.
